CAMB 5 Star Office Program 2008-09 Membership Campaign

Campaign Program – Outline

The 5 Star Office Membership Campaign Program is designed to encourage five (5) or more individuals from one company to join and a discount will be assessed on the total combined membership values. The memberships would continue as individual memberships but create incentive for multiple memberships within a company. To be eligible, all individuals must work at the same business location.

The 5 Star Campaign Program is enhanced to recognize various levels of participation by using gem names (ruby, diamond, emerald) in a ranking system.

The 5 Star Office Campaign Program is available to mortgage brokers and loan originators. A minimum of five individuals per office is required to initially qualify for the program. The campaign structure and criteria follows.
