

CALIFORNIA ASSOCIATION OF MORTGAGE BROKERS

# CHAMPIONS PROGRAM

The Champion Program is a higher level of commitment, complete with greater benefits, greater acknowledgement, and a greater financial contribution. The primary benefit of being a CAMB Champion is that years from now, when this terrible time is remembered, those who stepped up will be revered as the brokers who saved CAMB.

## HOW IT WORKS

Champions commit to contribute a certain amount to CAMB from each loan/transaction they close. Their contribution is not their dues; they are already dues-paying members. It is in addition to their dues.

## THERE ARE THREE LEVELS OF CHAMPION

**GOLD:** Contributes \$100 or more from every closed loan.

**SILVER:** Contributes \$50 or more from every closed loan.

**BRONZE:** Contributes \$25 or more from every closed loan.

Each Champion signs a pledge promising to pay their per-loan contribution after the month of closing but before the 15th of the following month. Affiliates may pay based upon a percentage of monthly volume, units or transactions dependant on the nature of their particular businesses. This will be an honor-based system.

## BENEFITS OF BEING A CAMB CHAMPION

Champions are recognized in regular email blasts to membership, when they make their pledge and when they reach certain goals (determined by the Membership Committee) such as \$1,000 contributed or \$5,000, or \$10,000.

Based on the pledge levels, Champions will be given access to special dinners and meetings with officials, are allowed early entry to events, and are allowed to reserve tables and seats at certain events. They will be recognized with special ribbon designations.

The top Champions in each level will be acknowledged with a presentation from the CAMB President of their gold, silver, or bronze contributions at the CAMB Convention awards dinner/luncheon each year.

CAMB Champions will be acknowledged on CAMB's Web site.
